To Whom It May Concern:

I am pleased to recommend to you, Mrs. Tracie Kroenert. I only had the privilege of working with Mrs. Tracie Kroenert for one full school year; however, last summer at this time I actively sought her out to work on my campus as either an administrator or as a counselor. I knew of her reputation as an outstanding teacher and I had been on another campus' interview committee when she applied for their administrative job and in so doing I knew immediately that I wanted her on my team. Outlined below are a few of the reasons why I wanted to hire and would rehire, Mrs. Tracie Kroenert as either a counselor or an administrator:

- Ability to get things done – when I needed something done, without hesitation, I always went to Mrs. Kroenert
- Ability to get things done right and on time – In addition to just being able to get things done, she consistently and continually accomplished errorless tasks with ample time before the deadline
- Determination – When Mrs. Kroenert sets her mind to accomplishing a something, you can be sure that it would get accomplished, one way or another. She refuses to accept anything less.
- Knowledge – Her vast experience in a variety of different aspects of the field of education have instilled in her a wealth of knowledge that she readily shares with her co-workers.
- Initiative – I really appreciated the fact that she would create forms, meet with students, or solve problems without ever having to be asked to do it. She saw a need and took the initiative to do what needed to be done.
- She cares. This is the number one reason why I would hire anyone to work for me in a school setting. Mrs. Kroenert, truly, deeply cares about the needs of her students and she is willing to do whatever it takes to help them in any way possible.

Fortunately, I was able to make her a part of my team last year. Unfortunately, life's circumstances have resulted in her having to leave us after only one short school year. She will be missed, but I am sure she will do just as an amazing job for you as she has done for us. If there is anything else I can do or say to assist you with anything in regards to Mrs. Tracie Kroenert, please feel free to contact me at Port Isabel High School, 956-943-0032.

Respectfully,

Dr. William Roach
Principal, Port Isabel High School
