EMPLOYMENT

Equal Employment Opportunity

STET does not discriminate against any employee or applicant for employment because of race, religion, sex, age, national origin, disability, military status, or on any other basis prohibited by law. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

Employees with questions or concerns about discrimination on the basis of race, color, religion, sex, national origin, age, or military status should contact the superintendent. Employees with questions or concerns about discrimination on the basis of a disability should also contact the superintendent.

Searches and Alcohol and Drug Testing

Non-investigatory searches in the workplace, including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, work areas, including district-owned computers, lockers, and private vehicles parked on district premises or work sites or used in district business.

First Aid and CPR Certification

Nurses, physical education teachers, coaches, athletic trainers must maintain and submit to human resources proof of current certification in first aid, cardiopulmonary resuscitation(CPR), and the use of an automated external defibrillator (AED). Certification must be issued by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification.

Workload and Work Schedules

Professional employees – Professional and administrative employees are exempt from overtime pay and are employed on a 10-12 month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including required days of service and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation, including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes; Paraprofessionals will supervise students during these lunch periods. The district may require teachers to supervise students during lunch one day a week when no other personnel are available and during state assessment dates.

Paraprofessional and auxiliary employees – Support employees are employed at will and will be notified of the required duty days, holidays and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees are not exempt from overtime and are not authorized to work in excess of assigned schedule without approval from their principal.

Notification of Parents Regarding Qualifications

In schools receiving Title I funds, the district is also required by the No Child Left Behind Act (NCLB) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. NCLB also requires that parents be notified if their child has been assigned, or taught for four or more consecutive weeks by, a teacher who is not highly qualified.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notification under NCLB is sent. Inappropriately certified or uncertified teachers include individuals serving with an emergency permit (including individuals waiting to take the TExES/ExCET exam) or individuals who do not hold any certificate or permit. No later than the 30th instructional day after the date of assignment the superintendent or designee will send a written notice to parents. Information relating to teacher certification will be made available to the public upon request.

Employees who have questions about their certification status can call the human resource office.

Performance Evaluation

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned principal at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, have a performance conference with their principal, and get the opportunity to respond to the evaluation.

Staff Development

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, and related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for non-instructional personnel is designed to meet specific licensing requirements and continued employee skill development. An outline of your gained knowledge will be requested, one week upon return and he/she may be asked to present and share with their co-workers. This allows for growth and maximizing our resources.

Part-Time Employees

Part-time employees are personnel employed on a regular basis for less than one-half time of the normal work schedules for that position. Part-time employees are not eligible for group insurance coverage or supplemental insurance and may not participate in the cafeteria plan. Part-time employees are not eligible to be members of the Texas Retirement System (TRS).

Temporary Employees

Temporary and seasonal employees may be hired in situations where additional staff is required. A temporary employee is defined as one who assumes duties on a full-time or part-time basis in a position for a temporary period of time. Individuals performing these duties will not be eligible for group insurance coverage or supplemental insurance and may not participate in the cafeteria plan. They will not receive state or local leave and are not eligible to be members of the Texas Teacher Retirement System (TRS).

The campus/department needing a temporary position must submit a Temporary Employee Request form to the human resource department.

Reassignment and Transfers

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the sending and receiving campus except when reassignments are due to enrollment shifts or program changes, the superintendent has final placement authority. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints. An employee with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer must be completed and signed by the employee and the employee's principal. A teacher requesting a transfer to another campus before the school year begins must submit their request during the month of May. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the Personnel Office and must be approved by the sending and receiving principal.

Outside Employment and Tutoring

Employees are required to disclose in writing to their immediate principal any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Principals will consider outside employment in a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Employee Involvement

At both the campus and district levels, STET offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district-or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the *Superintendent*.

Safety

The district has developed and promotes a comprehensive program to ensure the safety of its employees, students, and visitors. The safety program includes guidelines and procedures for responding to emergencies and activities to help reduce the frequency of accidents and injuries. To

prevent or minimize injuries to employees, coworkers, and students, and to protect and conserve district equipment, employees must comply with the following requirements:

- Observe all safety rules
- Keep work areas clean and orderly at all times
- Immediately report all accidents to their principal
- Operate only equipment or machines for which they have training and authorization

Employees with questions or concerns relating to safety programs and issues can contact the **Campus Administrator at (956) 969-3092.**

COMPENSATION AND BENEFITS

Salaries, Wages, and Stipends

Employees are paid in accordance with administrative guidelines and a pay structure established for each position. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional and administrative employees are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid based on hourly wages or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek.

All employees will receive written notice of their pay and work schedules at the start of each school year. Contract employees who perform extracurricular or supplemental duties may be paid stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact the human resource office for more information about the schools pay schedules or their own pay.

All employees will complete a timesheet.

Paychecks

All professional employees are paid on the twenty-fifth of each month. Non-exempt employees will be paid on a bi-monthly basis. During the school year, paychecks are delivered to each campus. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization. During summer breaks, paychecks will be mailed to the employee's home address.

An employee's payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated. Contact the payroll department if you have questions about your payroll statement.

Payroll Deductions

Automatic payroll deductions for the Texas Teacher Retirement System (TRS) and federal income tax are required for all full-time employees. Medicare tax deductions also are required for all employees hired

after March 31, 1986. Temporary and part-time employees who are not eligible for TRS membership must have their Social Security contributions deducted.

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans.

Overtime Compensation

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Paraprofessional and auxiliary employees are not authorized to work beyond their normal work schedule without advance approval from their principal.

Travel Expense Reimbursement

Before any travel expenses are incurred by an employee, the employee's principal and/or principal must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule authorized by the board of trustees. Employees should provide hotels with a tax exemption form. State tax must be removed from hotel bills.

Employees must submit receipts to be reimbursed for expenses other than mileage.

Health and Life Insurance

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school health insurance program. The district's contribution to employee insurance premiums is determined annually by the charter holder board. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are active, contributing TRS members and who are regularly scheduled to work at least 10 hours per week

TRS retirees and employees who are not contributing TRS members that are regularly scheduled to work less than 10 hours per week are not eligible to participate in TRS-ActiveCare.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each spring. Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in a separate booklet. Employees should contact the payroll department for more information.

Supplemental Insurance Benefits

Employees can enroll in supplemental insurance programs at their own expense. Premiums for these programs can be paid by payroll deductions. Employees should contact the payroll department for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS Regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. *All employees* must accept or reject this benefit on an annual basis and during the specified time period.

Workers' Compensation Insurance

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. Benefits may help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries must be reported immediately to the principal. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code.

Unemployment Compensation Insurance

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits under the Texas Unemployment Compensation Act. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the human resource department.

Teacher Retirement

All personnel employed on a regular basis for at least one-half time of the normal work schedule are members of the Texas Teacher Retirement System (TRS). Substitute's not receiving TRS service retirement benefits who work at least 90 days a year are also eligible for TRS membership and to purchase a year of creditable service. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the Business Manager as soon as possible. Information on the application procedures for TRS benefits are available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the Web at (www.trs.state.tx.us).

LEAVES AND ABSENCES

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leave of absences. ***Employees who have personal needs that will require a leave of absence should call the human resource office for counseling about leave options, continuation of benefits, and communicating with the district.***

Employees who take an unpaid leave of absence may continue their insurance benefits at their own expense. Health care benefits for employees on leave authorized under the Family and Medical Leave Act will be paid for employees who are not on active payroll status.

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate leave request form. An employee who is absent more than 10 workdays because of personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and – in the case of personal illness – the employee’s fitness to return to work. Note: Employees should NOT take personal leave before/after a holiday.

Temporary Disability

Certified Employees. Any full-time employee whose position requires certification from the State Board of Educator Certification (SBEC) is eligible for temporary disability. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. A full-time educator may request to be placed on temporary disability leave or be placed on leave. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. The leave request must be accompanied by a physician’s statement confirming the employee’s inability to work and estimating a probable date of return. If disability leave is not approved, the employee must return to work or be subject to termination procedures.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the charter holder board. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the employee’s principal should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician’s statement confirming that the employee is able to do the job. Professional employees returning from leave will be reinstated to the school to which they were previously assigned as soon as an appropriate position is available. If a position is not available before the end of the school year, professional employees will be reinstated at the beginning of the following school year.

Jury Duty

Upon receipt of a jury summons, an STET employee must notify his/her principal. All regular employees will be paid the full amount of their regular pay providing the employee gives the original jury summons to the Payroll department in a timely fashion. Some jury assignments are not continuous and jurors are released for significant periods of time in which you shall return to work.

Funeral Leave

In the event of a death in the immediate family, an employee will be given one (1) paid day to attend the funeral. If the funeral location is at least 100 miles away from STET, the employee will receive one (1) paid day to travel to the location and one (1) paid day to return. 3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall hold a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues presented by the employee at Level One and identified in the Level Two appeal notice. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set time limits for the conference.

The Superintendent or designee shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline. The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two complaint. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The written response issued at Level Two and any attachments.
3. All other documents relied upon by the administration in reaching the Level Two decision.

If at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law.

The presiding officer may set reasonable time limits and guidelines for the presentation including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an

opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio re-cording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

STUDENT ISSUES

Equal Educational Opportunities

The STET, Inc. does not discriminate on the basis of race, religion, color, national origin, sex, or disability in providing education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

Questions or concerns about discrimination of students on any of the basis listed above should be directed to the superintendent or the administrator of the campus.

Student Records

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records.

The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights.
- The student (if 18 or older or emancipated by a court)

- School officials with legitimate educational interests

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus principal for assistance.

Parent and Student Complaints

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Any campus office or the central office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

Administering Medication to Students

Only designated employees can administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. A student who must take medicine during the school day must bring a written request from his or her parent and the medicine, in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

Psychotropic Drugs

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood – or behavior-altering substance.

District employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug
- Suggesting a particular diagnosis
- Excluding from class or school-related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student.

Student Discipline

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Handbook and Student Code of Conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by the district. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal. Teachers must file a written report with the principal or another appropriate administrator when they have knowledge that a student has violated the Student Code of Conduct. A copy of this report will be sent by the principal or administrator to the student's parents within 24 hours. For additional information, see the student-parent handbook.

Student Attendance

Teachers and staff should be familiar with the district's policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed

to leave campus. When absent from school, the student, upon returning to school, must bring a note signed by the parent that describes the reason for the absence. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.
